NUMBER 10

FACILITY TO BE NAMED IN HONOR OF GRANTHAM & TILLMAN

## New Coffee County Jail to have open house Sunday

by Marvin McLwain  
Editor

After years of debate, pro and con, as to where Coffee County should build a new jail, the question has finally been laid to rest.

On Sunday, October 6, between the hours of 2-4 p.m., the new jail facility will be formally dedicated and an open house will be held.

During Sunday's ceremony, the jail will be named in honor of two former sheriffs of Coffee County, Sheriff H. D. Tillman and Sheriff C. F. "Neil" Grantham.

Sheriff Tillman served Coffee County as its chief law enforcement officer for many years before retiring.

Sheriff Neil Grantham served as a chief deputy under Sheriff Ralph Sparks and was elected as sheriff for

two terms. He had began serving his second term when he was murdered in 1979.

The \$2.5 million dollar facility was to be funded by a 1/2% sales tax which was enacted by the county commission in 1989, but it was later ruled by a circuit court and later upheld by the Alabama State Supreme Court to be illegal for them to do so.

The commission, with a vote of the people and a local legislative act, added \$35 to all court costs in Coffee County to go toward paying for the new jail. It is now predicted that this alone will not be enough to pay for the jail and additional funds will be required to supplement the court fees.

Construction on the jail began in August of 1990 and according to county officials it will be ready for occupancy by prisoners in Mid-

October after the final inspection.

The new jail is designed to house approximately 126 inmates and also, the facility will contain offices for the sheriff's department.

According to officials the jail is one of the most modern facilities in the area. It contains an ultra-modern fully computerized security system and prisoners are monitored at all times by 17 different surveillance monitors.

There are three separate control areas which completely controls the entire jail complex. The main control station is in the center of the cell area and all cells and exercise areas can be monitored by the jailer on duty. There are no "blind spots."

Tours of the complex will be conducted during Sunday's open house for anyone wishing to inspect the new jail.

GRAND JURY INDICTS ON RECORD 643 OFFENSES

## Ammons trial set for October 15

by Marvin McLwain  
Editor

On Tuesday, October 15, 1991, Marilyn B. Ammons, 48, of New Brockton will be tried in Coffee County Circuit Court-Elba Division on charges of forgery and theft.

The trial had been set for September 16, 1991, but a continuance was granted by Circuit Judge John Crawley due to a change in defense attorneys by Mrs. Ammons.

Reportedly Attorney Merrill Shirley withdrew as Mrs. Ammons' attorney claiming that fee requirements had not been met. She is now being represented by Attorney Michael Jared.

Mrs. Ammons, who had worked as a clerk in the county commission office for approximately 13 years, was indicted on a record 643 offenses by the grand jury.

The May 1991 Coffee County Grand Jury indicted Ammons on 10 charges of theft in the first-degree, 567 charges of theft in the second-degree and 66 charges on forgery in the second-degree.

According to the indictments, a total of \$334,529.53 in county funds are missing.

The indictments stemmed from an lengthy investigation conducted jointly by the Department of Examiners of Public Account for the State of Alabama, the Alabama Bureau of Investigation and the District Attorney's Office for the 12th Judicial Circuit.

The special audit by state examiners covered a period of time from October 1, 1984 through September 30, 1990.

On July 25, Jared entered a plea of not guilty on behalf of his client to the charges brought by the grand jury.

Theft in the first-degree is a Class "B" felony and is punishable by 2 to 20 years imprisonment and/or up to a \$10,000 fine for each offense. Both theft and forgery in the second-degree are Class "C" felonies and are punishable by 1 to 10 years imprisonment and/or up to a \$5,000 fine for each offense.

Should Mrs. Ammons be found

guilty, she could possibly receive a sentence of more than 6,500 years in prison. Also, she could be fined up to \$3,265,000.00.

It is being predicted by court officials that the jury trial of Mrs. Ammons could last as long as three to four weeks.

Bail for Mrs. Ammons was set at \$339,600 and she has been free since posting bond.

Mrs. Ammons also faces a civil lawsuit in the amount of \$125,000 which was filed by the Coffee County Commission in December of 1990.

The commission also asked that Mrs. Ammons' assets be attached. Affidavits by Billy Eagerton, commission chairman, and Wilson Mobley, county administrator, allege Mrs.

## New manufactured home law passed by legislature

A new manufactured home law, which redefines mobile homes as "manufactured homes," also provides for a registration fee in lieu of ad valorem tax, according to State Commissioner of Revenue James M. Sizemore, Jr.

"Subject to this registration fee are those manufactured homes which are rented, leased, or located on land owned by someone other than the manufactured home owner," said Sizemore.

He continued, "All other manufactured homes will continue to be subject to ad valorem tax. Those manufactured homes which are owner-occupied and sited on property owned by the occupant will receive

Ammons, "is disposing of property both real and personal." The suit charges she is disposing of the property so it cannot be used to repay the county for the missing funds.

NEW CONSTRUCTION INCLUDED AND 6% PRORATION ALLOWED FOR

## Elba City School Board adopts \$11 million budget

by Ferrin Cox  
Publisher

The Elba City School Board met in special session Monday, September 30th, at noon for the expressed purpose of adopting an operating budget for the coming year. State law requires this be completed prior to October 1st.

The board approved a \$7,000 item in the budget to purchase service vehicles. Pearce explained that the school had always utilized two used trucks to move lawn mowers, supplies, etc. and he was planning to replace the two lost in the flood.

Presently the school is paying expenses for use of employees vehicles when necessary.

The budget of over \$11 million includes construction funds for the new school complex and a cushion to compensate for a projected proration of up to 6%.

The general fund will begin the year with a balance of \$249,500. With no surprises and no proration in the next year, the projection is that this fund will end up with \$176,222. However, Superintendent Charles Pearce told board members all experts were predicting proration of up to 6% in the Alabama education budget.

Included in the expenditures from the general fund is an additional \$180,000 to be applied to the construction and furnishing of the new schools. Pearce explained that this amount and the other school construction money were basically the only differences from last year's budget.

The board approved a \$7,000 item in the budget to purchase service vehicles. Pearce explained that the school had always utilized two used trucks to move lawn mowers, supplies, etc. and he was planning to replace the two lost in the flood.

Presently the school is paying expenses for use of employees vehicles when necessary.

Pearce asked for and received the blessing of the board to purchase one of the vehicles with a king cab. This will allow safer travel when small groups of students are being transported as part of their normal class work.

The budget is 29 pages of numbers and more numbers. Here are a few interesting facts: The 1% county-wide sales tax will supply \$236,000 to the Elba school during the next year. Three different city, district and county property tax levies will generate \$225,000 and the Elba City Council continues to fund an appropriation of \$24,000 annually. It will cost \$112,559 to operate the school buses for one year. This doesn't include the purchase of any new buses.

Utilities will hit the budget for an additional \$50,000 for the year. It will cost almost half million dollars to operate the lunchroom program, actually \$460,494.00. The majority of this is not paid by the students but by various government funds.

Classroom teacher salaries range from a low of \$21,405 per year beginning salaries for some teachers to a maximum of \$29,350 for a teacher with a "AA" certificate and ten years teaching within the system.

In other business, the board approved hiring of a state approved consultant to guide the board members through a required review of Superintendent Pearce's performance. This new statewide review will be conducted every two years.

## Deadline for obtaining CDL is April 1, 1992

Commercial drivers in Alabama should apply for a new commercial driver license as soon as possible to ensure that they are licensed before the April 1, 1992, federal deadline, according to Col. Ned W. McHenry, Public Safety director.

Federal Highway Administration officials stress that there will be no extension of the federally mandated deadline. Commercial drivers must have a CDL by that date, or they will lose the right to drive a commercial vehicle.

"If commercial drivers apply now for a CDL, they can avoid the last-minute rush and be sure of getting their CDL in time," said Maj. Ralph Cottingham, chief of the Driver License Division. Cottingham said there are approximately 170,000 to 200,000 commercial drivers in Alabama, and that Public Safety examiners will not be able to process all applicants if commercial drivers wait until close to the deadline to apply.

To date only approximately 27,000 drivers in Alabama have received a CDL since testing began in October 1990. Commercial drivers who have not yet been tested, are encouraged to report as soon as possible to probate judge, license commissioner or driver license offices to obtain a study manual and application form.

Drivers of buses, trucks with a gross vehicle weight rating of 26,001 pounds or more, and vehicles carrying hazardous materials are required to have a commercial license by

offense and sentenced to 15 years, split sentence, serve 18 months, balance suspended with supervised probation for 5 years. Sentence to run concurrent with Mobile County. Ordered to pay court costs, attorney fees and CVCCA.

—Franklin D. Roosevelt  
1882-1945

## Last Confederate Widow to lead parade

Eighty-four year old Alberta Martin of Elba, Alabama, the last surviving Confederate widow, will serve as Grand Marshal of the 16th annual Andersonville Historic Fair Parade on Saturday, October 5 at 11:00 a.m. in The Civil War Village of Andersonville, Georgia.

Mrs. Martin should feel right at home in Andersonville as the theme of The Andersonville Historic Fair is Civil War Days.

Hundreds of Confederate and Yankee reenactors will be camping in authentic Civil War type encampments and putting on two realistic mock Civil War battles. A large contingent of Confederate reenactors will march in the parade beside Mrs. Martin's open horse-drawn carriage.

Alberta Martin says that she was a 21-year-old widow with a two-year-old son and was working in a cotton mill when she married Confederate Veteran William Jasper Martin in December 1927. He was a 75-year-old widower with grown children and grandchildren of his own.

A son was born a year after the marriage. Four years after the birth of their son, William Jasper Martin died.

Martin had served with the 4th Alabama Infantry in 1864-65 and survived The Battle of Gettysburg. Mrs. Martin says she can remember

MRS. ALBERTA MARTIN

him talking about The Battle of Gettysburg and about a battle in Georgia.

After William Jasper Martin died, Alberta Martin married his grandson, Charlie Martin. The marriage lasted 50 years, until once again she was left a widow.

According to Mrs. Mildred Cook, President General of the United Daughters of the L. Alberta Martin is the lone surviving Confederate widow affiliated with the 25,000 member United Daughters of the Confederacy.

Mrs. Martin lives with her son,

Charlie Martin, in Elba and enjoys playing bingo at a nearby senior citizens center. She once visited the Cyclorama in Atlanta, but has never visited other parts of Georgia, and is looking forward to the Andersonville trip.

Other activities planned for the two day Andersonville Historic Fair, October 5 and 6, are an extensive "Gone With The Wind" display by Jim Swords, a visit by Melly Meadows of Jonesboro, Georgia's official Scarlett O'Hara look-a-like who will grace the parade and reign as Queen of the 1991 Andersonville Historic fair, a model train exhibit by The Columbus Model Train Club, a concert by the 283rd Army Band of Ft. Benning, and 200 dealers in antiques, Civil War artifacts, and arts and crafts.

The Andersonville Historical fair is sponsored by The Andersonville Guild and The Andersonville Town Council to finance historic preservation and beautification in the Village of Andersonville, which served as supply center for Camp Sumter.

Camp Sumter was the infamous Andersonville Confederate prison where 45,000 Union Soldiers were held and where 13,000 perished.

Mrs. Martin was recently honored by the 96th National Convention of The Sons Of Confederate Veterans held in Columbus, Georgia.

State of Alabama

Marilyn B. Ammons

Charged with 643 total counts of theft of property in the first & second degrees, theft by deception in the first & second degrees, and forgery in the second degree. Case continued.

The bride-elect is the granddaughter of Mrs. Evan E. Smith and the late Mr. Smith of Jacksonville, Florida, and Mr. and Mrs. Charles Martin Anderson, Jr. of Pensacola, Florida.

She is a graduate of Elba High School and is currently attending Enterprise State Junior College where she is majoring in Music Education. The groom-to-be is the grandson

of Mrs. Jessie Roscoe Johnson and the late Mr. Johnson of Elba. Mr. and Mrs. Shelby Thomas Morrow, Sr., daughter, Christy Michelle, to Jay Johnson, son of Mr. and Mrs. James Harold Johnson, also of Elba.

He is a graduate of Elba High School and is currently attending Enterprise State Junior College where she is majoring in Music Education. The groom-to-be is the grandson

## Socials

### Julie Sullivant Graduates From Troy State University With Bachelor's Degree

Troy State University held its annual Summer Commencement Exercises August 9 at Sartain Hall.

Julie Ann Sullivant, daughter of Mr. and Mrs. Ed Sullivant of Elba, AL, received her bachelor's degree. She majored in biology education and English education.

Philip B. Rooney, President and Chief Executive Officer of Waste Management Inc., addressed the graduates.

Troy State University in Troy, AL, is a comprehensive institution that offers undergraduate and graduate degrees in 64 majors. The Troy State University System enrolls more than 14,000 students on four Alabama campuses and on 64 military bases around the world.

Julie has accepted a job with Eschbach County School Systems teaching English in Attmore.

Miss Kimmy

### Miss Kimmy To Wed Mr. Swan October 12th

Mr. and Mrs. James A. Kimmy of Live Oak Island, Florida announce the upcoming marriage of their daughter, Kimmy, to Mr. Richard Swan, son of Mr. and Mrs. Charles K. Swan of Knoxville, Tennessee.

The wedding is to take place October 12, 1991 at the Sequoyah Hills Presbyterian Church in Knoxville, Tennessee.

The bride-elect is the granddaughter of Dr. John M. Kimmy of Elba and Charlie Frank and Sara Dickson of Sunnyside, Florida.

An October 12, 1991 wedding is planned at the Sequoyah Hills Presbyterian Church in Knoxville, Tennessee.

Both the bride-elect and her fiancé are graduates of the University of Tennessee and both work in the Knoxville area.

### Miss Nelson To Wed Mr. Lashley October 18th

Mr. and Mrs. Royce Nelson, of Opp, wish to announce the engagement and forthcoming marriage of their daughter, Kerri Leigh, to David Eric Lashley, son of Mr. and Mrs. Jimmy Lashley of the Ino Community.

The bride-elect is the granddaughter of Mr. and Mrs. Huey Phillips, and the late Mr. and Mrs. L. M. Nelson, all of Opp.

The prospective groom is the grandson of Mr. and Mrs. Ned Spann of Samson, and Mrs. Eunice Lashley and the late Rev. Henry A. Lashley, of the Ino Community.

The wedding is to take place October 18, 1991 at 7:00 p.m. at Westview Baptist Church in Opp. A reception will follow.

No local invitations are being sent, however, all friends and relatives are invited to attend.

### Charla Pearce Pledges Delta Delta Delta At Auburn

Charla Pearce of Elba pledged Delta Delta Delta social sorority on September 21 during Auburn University's annual fall rush.

Pearce is a 1991 graduate of Elba High School and is the daughter of Mr. and Mrs. Charles Pearce. She plans to major in nursing at Auburn.

### Kahler-Marler Wedding Held September 7th at First Baptist Church

Vonda Melissa Marler and Paul Alfred Kahler were united in marriage on Saturday, September 7, at 4:30 in the afternoon at First Baptist Church in Elba.

The Rev. Randy Chandler, cousin of the bride, officiated the ceremony. The Rev. Alfred R. Kahler, father of the groom, delivered the invocation. Parents of the couple are Mr. and Mrs. Wayne Marler of Elba and the Rev. and Mrs. Alfred R. Kahler of Amsterdam, New York.

The church doors were adorned with white satin wreaths, accented with lilies, ivy, and lace. The sanctuary was reminiscent of days gone by, beautifully enhanced by white floral arrangements throughout, including Calla lilies, mums, and roses. Flickering candles filled the choir loft and windows, with palms and ferns in abundance.

Guests were welcomed by Mrs. Jennifer Wilkerson and Mrs. Debra Boyd, both of Enterprise, who directed the wedding.

Miss Charla Pearce, cousin of the bride, graciously attended the guest register.

Little misses Conny and Chelsea Cooper served as program and ring bearers. Their fancy white frocks were antique-style, complete with ruffled pantaloons. Their blond tresses were braided and intertwined with tiny rose buds.

A program of pre-nuptial and wedding music was presented by W. Martin Gray, organist; Tammy Dunaway, flutist; Mark Bowers, pianist; Amy Ashcraft and Butch Oggs, soloists.

A men's quartet consisting of Mark Bowers, Randy Bedsole, Jeff Outlaw, and Butch Oggs, sang "Sweet, Sweet, Spirit," as the wedding hour approached. The church chimed then heralded the hour. Amy Ashcraft sang the wedding song "There is Love." Butch Oggs joined her to sing the Parents Prayer, "Let Go of Two." As the ceremony progressed, and the unity candle was lit, Mrs. Ashcraft presented "You Need Me." Mr. Oggs delivered the benediction by singing "My Tribute."

The bride was escorted to the altar by her father and given in marriage by her parents. She wore a gown of white silk tulle and a re-embroidered lace with a portrait neckline and fitted bodice. Lace appliques, hand beaded with pearl clusters and iridescent, adorned the off the shoulder lace and bodice. Long fitted sleeves of lace over illusion cloth beaded points over the hands.

The full ante-bellum skirt was enhanced with motifs on the front and featured a deep draped ruffle, edged with scalloped lace around the hemline and chapel train. A large beaded signature bow adorned the back.

She wore a waist length veil of silk tulle gathered with a ruffled puff to a mini-ascot hat of re-embroidered lace over tulle. Iridescent flowers and beaded sequins accented the trim, with pearl strands and lily branches extending down the sides.

For the reception she changed to a shoulder length veil of pearl sprinkled illusion attached to a beaded tulle bow.

She carried a cascading bouquet of white roses, interspersed with pearls and iridescent. She wore earrings which were a gift from the groom, and carried an antique lace handkerchief which had belonged to her maternal great grandmother and had likewise been used on the wedding day of other family members.

The bride chose her sister, Mimi Yaussey, of Savannah, GA, to serve as matron of honor.

Bridesmaids were Millie McCollough and Molly Mills, both of Elba. The bridesmaids wore white dresses, featuring off the shoulder portrait collars, overlaid with white lace. Their white cascading bouquets, with long streamers of lily of the valley, pearls, and lacy ribbon, completed the elegant look.

Anna Marler, cousin of the bride, served as flower girl. Her old south styled gown was of white tulle and lace, accented by a peacock blue bowed sash. On the sash, and sprinkled about in her pretty curls, were dainty white rosebuds. She carried fresh white daisies in her frilly basket.

Jeff Kahler of Denver, CO, served his brother as best man.

Ushers/groomsmen were J. M. Buck Elliot and Buddy Yaussey of Savannah, GA; Mary Marler of Enterprise, brother of the bride; Douglas and Derek Marler of Elba; and Monty Huggins of Ft. Walton Beach, FL, cousins of the bride.

They were handsomely dressed in black double-breasted tuxedos. The groom wore tails.

The mothers of the couple entered holding lighted tapers and placed them in the unity candleabra. The mother of the bride chose a two piece mint-green ensemble with full chiffon skirt and broad bodice. The groom's mother was lovely in a pale pink dress with flared skirt and decorative button trim. They wore shoulder corsages of white roses.

The bride's maternal grandmother, Mrs. Lewis Pearce, was charming in a mauve brocade silk outfit which featured lace trim on the sleeves and the back of neckline. Her paternal grandmother, Mrs. Maude McNeil, was striking in a two piece full-skirt turquoise suit. They also wore white rose shoulder corsages.

Following the ceremony the bride's parents hosted a reception in the church fellowship hall. Mr. and Mrs. Charles Pearce acted as honorary reception hosts. Musical entertainment was provided by W. Martin Gray on the Harpsichord. He was accompanied at intervals by Tammy Dunaway, on the flute.

Reception attendants were Fleming Watts and Karen Snyder, both of Mobile; Sherri Smith of Greenville; Rosemary Woodard of Panama City; and Rhetta Schmidt of Charlotte, N.C.

Following a wedding trip to St. Thomas, Virgin Islands, the newlyweds are residing in Savannah, GA.

\*\*\*\*\*

A Linen Shower was given on August 3 in the lovely home of Mrs. Henrietta Grimes. Other hostesses for the occasion were Mrs. Carolyn Kelley, Mrs. Barbara Hudson, and Miss Lisa Grimes.

\*\*\*\*\*

Poolside at the Hayes Farm was the setting for a fun-filled morning on August 10. A This, That, and the Other Party was hosted by Becky Hayes, Mary Grider, Edith Calhoun, and Ann Spicer.

\*\*\*\*\*

A Miscellaneous Tea honoring the bride-elect was held in the beautiful and spacious home of Mrs. Liz Murdock, on Sunday afternoon, August 11. Hostesses for the special occasion were Kathy Smith, Ginny Devane, Ella Kate Ham, Betty Adkinson, Louise Bozeman, Merlene Owens, Ethelene Tucker, Shirley Parrish, Jean Moore, Elaine Ballard, Dixie Davis, Huey Clark, Rhetta Schmidt, Roylee Sellers, Linda Berry, Ann Bowers, Verneette Madrox, Ellen Lowery, and Charlette Clark.

\*\*\*\*\*

The comfortable home of Millie McCollough was the scene of a Lingerie and Rice Bag Party for the bride-elect on September 3. Other gracious hostesses were Julie Clark, Amy Free, and Kim Martin.

\*\*\*\*\*

A Bridesmaid's Brunch was held on the morning of the wedding in the lovely home of the bride's aunt, Mrs. Freddie Pearce. Assisting with the delectable affair were Mrs. Karen Brooks, Mrs. Jeanette Kendrick, and Mrs. Rue Marler, aunt of the bride.

\*\*\*\*\*

Mr. and Mrs. Mac Moore's elegant home provided the perfect setting for the Groomsmen's Brunch on the morning of September 7. Other hostesses for the very enjoyable event were Mr. and Mrs. Cabert Mills, and Mr. and Mrs. Prentice Vell.

## Senior Job Spotlight

By: Derek Snellgrove  
Many members of the senior class at Zion Chapel have a job that keeps them busy during their after-school hours and on Saturday. The reasons for working vary among students and the reasons are based upon personal wants and needs.

Four seniors have jobs in the community or in the nearby city of Elba. Tony Daniels is employed by Kelly's Bar-B-Que in Elba. Tony's duties require him to mop, wash dishes, and keep the "making table" furnished. He says he is satisfied with his job which keeps him busy Monday through Friday from 5 until 9 p.m. and on Saturday from 9 a.m. until 2:30 p.m. "I like the job because my fellow workers are friendly," Tony said. "I work to pay for my car, to buy clothes, and to pay any dues or extra-curricular activity fees required at school. I also work to make my own spending money."

Kim Fitcher is employed at Serecia's Family Hairstyles and Derek Snellgrove is a disc jockey at WZTZ in Elba. Both of these jobs have been spotlighted in previous publications.

Tracy Faulk is employed by Hardsco's of Elba. His duties require him to run the cash register as well as keep everything clean and stocked up. Tracy's hours are Monday and Tuesday from 5 until 8 p.m. (or later), and Friday and Saturday from 5 until 10 p.m. (or later). He says he is satisfied with the job and likes it because it's not real hard to do and because everybody that works there is friendly. His purpose for working is to pay for a car and to make spending money.

Laura Archie is employed at Olan Mills in Enterprise. Her duties require her to call people and ask them about buying club plans for having family photographs made. Her hours are from 4:30 to 8:30 p.m. Monday through Thursday, and on Saturday, "I am satisfied with the job and like it because it's a challenge and it's very interesting how people react to sales people over the phone," she said. Her purpose for working is to pay for her insurance and to make her spending money.

Four seniors are employed in Troy including Lashonda Rodgers who is employed by McDonald's. She is a cashier and says she is satisfied with the job. When she was asked to explain why she likes the job she said, "It's not that hard." Her sole purpose for working is to earn her own spending money.

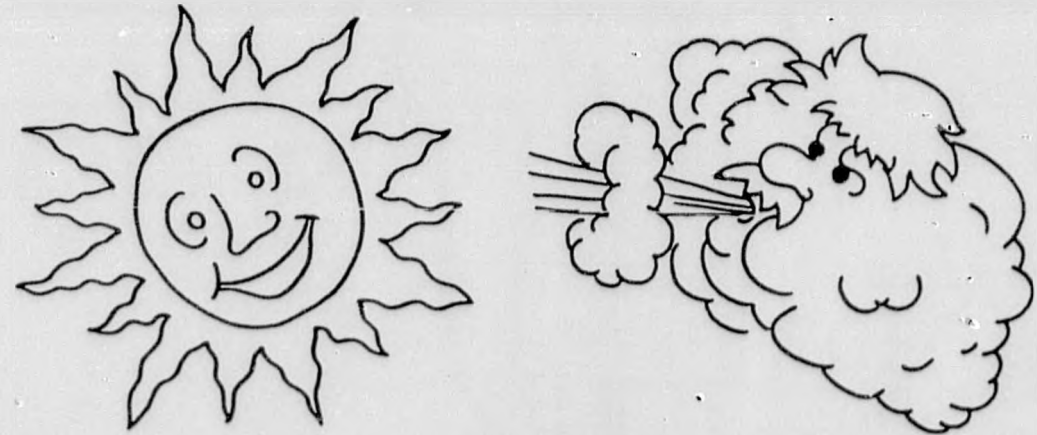

Angela Culver is employed by Mr. J's Steakhouse in Troy. Her duty is to work the food and salad bar. Her hours are on Sundays and Mondays from 5 until 9:30 p.m., and Friday and Saturday from 5 until 11 p.m. She says she is satisfied with the job and likes it because there's not a lot of work in it. Her purpose for working is to buy clothes and to make her own spending money.

Fletcher Reeves is also employed at McDonald's in Troy. His duties require him to serve as a manager, to run store operations, to correct procedures of the crew, to maintain good customer relations, to count money drawers, and to make deposits. His job often call upon him for other duties as the need arises. His hours are from 3 p.m. until closing on Friday and Saturday, 11 a.m. until 8 p.m. on Sunday, and from 3 p.m. until closing during the week as needed. He says he is satisfied with the job and when he was asked why he likes the job he said, "It has excellent opportunities for advancement and the hours are flexible. I need to get off work for some reason, I can." His purpose for working is to pay the bills and to have some spending money.

Pam Reeves is employed at Bargain Town in Troy. Her duties include operating the cash register, cleaning, stocking, and zoning departments in the store. Her hours are on weekdays from 4 until 8 p.m., and on weekends her hours vary, usually either 10 a.m. until 3 p.m. or from 3 to 8 p.m. She says she is satisfied with the job and likes it because, "they give great attention to the employees and are very understanding. There is also a friendly atmosphere in which to work."

## Heat Pump: The hot and cold alternative

Look at the heat pump; it makes perfect sense! What other single item cools in the summer and heats in the winter and saves money and energy in the process.

The heat pump doesn't use a lot of energy to heat or cool air. In summer, it takes the hot, moist air from inside the house and pumps it outside. In winter it takes warm air from outside and

pumps it inside.

Compare the cost of a heat pump and you will find that you can have heating and cooling at a lower cost!

We will also pay you \$80 per ton for installing a certified heat pump system.\* Call us today at 1-800-556-2060 for more details about the heat pump rebate program.

## Rebel Mascot ZC FFA Plans 90-91 Agenda

By: Sandy Jacobs  
Zion Chapel has a new Rebel mascot for the 1991-92 football season. April Grisset, a fifth grader, was the one to volunteer for the position. Judy Grisset, April's mom, made her costume from the traditional appearance of the Rebel man. The costume consists of a long-tailed gray jacket, matching slacks, a ruffled white dress shirt, and a red bowtie.

The FFA members decided what fruits they would sell for the annual FFA fruit sale. They set a date for the sale. The sale will begin the last week in October. The fruit sold will be oranges, grapefruit, and maybe apples. The first member to sell 40 boxes of fruit will get a FFA jacket.

The FFA members talked about setting up committees for the club's program of work. This program of work is the club activities including those dealing with public relations, community service, and recreation.

The contests discussed during the meeting were land judging, forestry judging, and cattle judging. The possible future contests were trips to the Peanut Festival in Dothan and the Sunbelt Exposition in Moultrie, Georgia.

Another thing that was on the agenda for the meeting was purchasing FFA jackets. Only the officers have been measured for the jackets so far, but any member can purchase a jacket for \$40.

The ZC FFA members are planning to purchase shirts to wear so that each representative will be easily recognized as an FFA member. A lip sync contest is being planned by the SGA but a date has not yet been set. The time will be announced at a later time.

The officers for the Future Homemakers of America (FHA) were announced at their first monthly meeting. To become a candidate for an office in FHA, a person had to write an essay explaining why he/she wanted to become an officer in FHA.

Mrs. Joan Hobbs, club sponsor, called the meeting to order and then led the members as they recited the FHA Creed. Mrs. Hobbs then announced the

names of the officers. They are Sandra Carney, president; Kecia Griffin, secretary; Lashonda Rodgers, treasurer; Ashley Johnson, reporter; and Laura Archie, parliamentarian.

Other business discussed during the meeting were dues which are \$8, a fashion show, a trip to the Sunbelt Exposition in Moultrie, Georgia, and a 25 cent donation to finance a FHA float for Homecoming.

## ZC Band Prepares For Contest

By: Randy Jackson  
The Zion Chapel Rebel Marching Band is making plans to attend two contests/festivals this year. The first is the Little Big Horn Contest in Opp, Alabama on Saturday, October 7, 1991. The other is the Brewton Divisional Festival on October 12, 1991, in Brewton, Alabama.

The main difference between the two contests (festivals) is the ratings. The Dixie Festival has the bands participating to perform for the ratings only. In this kind of contest a band does not compete against other bands but against a rating scale. A band is scored in divisions of wind players (band), percussion, color guard, and drum major. The raw scores are formed numerically and then converted to division score I, II, III, and IV. I is superior and II is excellent.

The Little Big Horn Contest not only is ratings but it allows bands to compete for "Best in Class." Zion Chapel's Band has won "Best in Class" several times at the Little Big Horn Contest. The band also has a tradition of scoring superior and excellent ratings when participating in marching contests.

The band is presently working hard to prepare for these two contests. An all band practice is held twice a week and section rehearsals are called when section leaders think they are needed. There are also several instructors from Troy State University who are helping prepare the band.

The leadership for the band in making these preparations are Drum Major Regina Cole, Band Captain Tawana Neal, Sergeant Jett Thomas, Lieutenant Britney Black, Secretary Tashawn Neal, Librarian Tisha Woods, Librarian and Percussion Captain Susey Brooks, and Colorguard Captain Bridget Greenwood.

On September 18, 1991, the FFA held its annual peanut boil at the boat ramp on Pea River. This year was the first time in two years that it had been held. Entertainment was provided by the

A total of 120 Enterprise State Junior College Students were named to the Summer Quarter Dean's List. Students qualifying for the Dean's List must be full-time students (scheduling 12 or more hours), and maintain a minimum of a 3.50 GPA during the quarter.

Students from New Brockton were: Anna L. Adkinson, Stephen A. Butt and Peggy A. Spencer.

Students from Elba were: Amy J. Fuller, Angie L. Johnson and Kersin B. Shoup.

Students from Kinross were: Mary A. Bragg, Priscilla R. Harrel, Starla D. Hataway, Linda D. Mock, Gina K. Tucker and Jeffery K. Weeks.

A mixed community chorus is being organized through Enterprise State Junior College. The sole purpose of the group this year will be to prepare and present Haver's "Messiah." Members must furnish their own music. No auditions are required. The group will meet from 6:30 - 8:30 Tuesday evenings beginning October 1. There will be a concert on Friday night, December 6. Call 393-ESJC, ext. 266, or 1-800-874-3399 for details.

Project management is the title of a one-day success seminar set for Friday, October 4 at Enterprise State Junior College. The class will cover tips for planning and organizing projects, using people skills, and applying tracking skills to keep projects on the path to completion. Fee for the course is \$23.50. Call the Admissions Office to receive registration information-393-ESJC, ext. 233.

Two evening success seminars are scheduled in October and November at Enterprise State Junior College. The first seminar, "How to Find and Keep a Job," will meet Monday evenings October 14 and 21 from 6:30 - 8:30 p.m. The second seminar, "How to Prepare and Present Haver's 'Messiah,'" will meet Tuesday evenings October 15 and 22 from 6:30 - 8:30 p.m. Both classes will meet from 6:30 - 8:30 p.m. and the fee is \$23.50 for each course. Call the Admissions Office at 393-ESJC, ext. 233, or 1-800-874-3399 to register.

## Mu Alpha Theta Meets

By: Art Williams  
The Mu Alpha Theta Club met for the first time last week and resumed its position as one of the most prestigious clubs at Elba High School. Its members will take pride in remembering.

The club was divided into three groups: the project committee, the program committee, and the social committee. This method of organization helps the club have better control of the activities they are involved in.

We will keep you informed of this year and their involvement as the year progresses.

club sponsor, Mrs. Adkinson said, "I hope we have a great school year and one that the fifteen Mu Alpha Theta Seniors will take pride in remembering."

The president called the meeting to order and the secretary read the minutes from the last meeting. The vice president, who read two articles from a Beta Club Newsletter. The first article referred to scholarships available to senior and the club can elect two Seniors to apply, which will be done at the next meeting. The other article gave information about a writing contest that is open to any member of the Beta Club.

The Beta Club motto is, "Let Us Lead By Serving Others," and the 42nd Beta Club at Elba is looking forward to a year of special service projects and developing academic, character, and leadership skills.

## Seniors Of The Week

By: Paga Jones  
Sharon Wright - Sharon is eighteen years old. She enjoys playing volleyball, talking on the phone, and having fun with her friends. She plans to attend college and accounting. Sharon is a member of FFA and Lanawanda Denise Rodgers - Lanawanda is seventeen years old. Her hobbies include running track and playing softball and basketball. She plans to attend Troy State University and major in early childhood development, and later join the Army Reserve. Her most memorable time at EHS was playing basketball with the Lady Tig- Jacki Whitfield - Jacki is seventeen years old. She enjoys going to Sunday School and being with her friends. If she could change one thing about the school, it would be the lunchroom facilities. After school, she plans to attend a four year institution and get a degree in accounting. She is a member of the Elba Marching Tiger Band and the Lady Tigers softball team.

By: Art Williams  
Jimmie W. Davis teaches eighth and tenth grade English, general, and advanced, as she has for the past 26 years. When I asked her about her teaching career, she had no trouble answering. "I have taught all of my teaching years at Elba High School. In these years it has been bombed, burned, and washed away. I have survived and will be better than ever in the future." She is originally from Coffee County, and attended Kinross High School. She has her bachelor's degree and her master's degree. She has also worked with the University of Alabama. She says enjoys teaching at Elba because, "No day is ever the same. There is always a new idea or a new challenge. No where else can a person work with so much fresh intelligence."

She is the mother of two children and the proud grandmother of five. Thank you, Mrs. Davis. We appreciated your ability and the part you play in our educational system.

The Beta Club motto is, "Let Us Lead By Serving Others," and the 42nd Beta Club at Elba is looking forward to a year of special service projects and developing academic, character, and leadership skills.

## Views From The Pressbox

By Ricky Mularz

This is "report card" week for the students in Elba, and while I don't really expect any surprises from Melissa, I do remember back when all four Mularz boys were in school and how we dreaded that week with a passion. We never even mentioned report cards around our house, but somehow our parents would always know when it was time and Mom would tug her hand out when we got home. We didn't make bad grades and didn't really have a reason to be scared; however, it was always spooky when the teachers would hand us the report cards, because there was always the fear that a bad grade would appear from nowhere. Those days are over for me, but with two little ones, I've got years and years of report cards still to dread!

### TIGERS SEE RECORD DIP TO 1-3 AFTER BIG LOSS TO OPP

The Elba Tigers were big underdogs going into last week's battle with the unbeaten Opp Bobcats, and the word out of Opp was that the Bobcats were going to run up a big score and pay the Tigers back for years of losses. Well, a 28-7 score is a solid win; however, the Tigers gave the Bobcats a real scare in the first half and the defense battled until the end to keep Opp from piling up the points. The Tigers may have lost another battle, but they are still playing like they expect to win the war.

Opp scored with relative ease on its first offensive series, but had to be more than a little concerned when Elba drove to the Bobcat 24 on its second possession and then scored on its third series. Elba didn't score again, and had only 32 total yards in total offense on its final eight possessions of the game, but with 4:36 left in the half the Tigers were tied at 7-7 and had out-gained the Bobcats offensively 170-116. Opp scored two touchdowns in the next two minutes; however, and a touchdown with 46 left upped the Opp lead to 21-7 and all but ended Elba's hopes of an upset win.

The second half was all Opp, as the Bobcats rolled up 207 yards to only 26 for the Tigers, but the Tigers never quit and despite giving up huge chunks of yardage, allowed Opp to cross the goal line only once more. At the final horn Opp had the win 28-7 and the statistics were lopsided in favor of the Bobcats, but the Tigers didn't leave the field with their heads down, and instead, were talking among themselves and their fans about how hard work and determination would turn things around. It won't get any easier for the Tigers in weeks to come as opponent after opponent tries to pay the Tigers back for years of losses, but the attitude of the players after the game let me know that the Tigers were down, and not out, and better days may indeed lay ahead.

Looking back at the game once again, Elba's offense came out playing well and racked up the yardage in the first half as Marcus Tyson and Jamie Brockton combined to gain 133 yards on 21 carries against the stiff Opp defense. The two scores by Opp just before the half changed the complexion of the game, and as the game went on, it was evident that both Tyson and Brockton had slowed down from the pounding absorbed from butting heads with the Opp defense. The day carried the ball only six times in the second half, combined with 21 in the opening two quarters, and the passing game was still skipping a beat as some passes failed to hit their targets and others were dropped after being thrown on the money. Elba's running game is okay, even without Greg Thigpen, but until the Tigers develop a consistent passing attack Elba's running backs will keep getting hit, and hit, and hit until they either give out or get hurt.

Over on defense, it was a mild surprise that Opp was able to run the Tigers as well as they did, as was evident by the almost 300 yards gained on the ground. Elba's defensive line had played well all season and all but shut down Daleville and Luverne in losing efforts. The Bobcats ran at will against the front wall of the Tigers and in the second half moved through the defense like a sharp knife through soft butter.

The effort of the Elba players was evident Friday night, in spite of the lopsided stats and 21-point loss, and if the players keep their heads up and never quit fighting, I just know that this bunch is going to get some big wins during the second half of the season!

### JUST IN CASE YOU WERE WONDERING...YES, WE HEAR YOU

For you so-called supporters of the Elba Tigers who pay your money just so you can sit in the stands and yell at Coach Wood. Yes, he can hear you, and so can the players who give up countless hours of hard work each week with Coach Wood at practice and play their hearts out every Friday night for no personal gain except the satisfaction of knowing that they won the game.

I know that many Elba fans have become frustrated in recent weeks over the losses to Daleville, Luverne and Opp, but I can assure you that the coaches, and especially Coach Wood, are working harder than ever in preparation in an attempt to make the players have the best plan possible.

The fans that are yelling at Coach Wood and questioning every call are doing nothing but showing everyone around them how much they really support the Tigers. It takes a dedicated fan to stick with their team through bad times, but until this year, when have the Tigers gone through bad times? Over the past eight years, Coach Wood's teams have made it to the state playoffs all eight years and have won a total of 80 games, an average of 10 wins per season. This year the Tigers are down in numbers, experience and talent, but the effort is still as evident as ever and I for one can't figure out why the fans aren't supporting the team even more than ever.

Okay, if those of you who enjoy yelling at Coach Wood have wondered...yes, he can hear you. But, so can the players, who need the confidence, yes, he can hear you. But, so can the players, who need the confidence.

NEW BROCKTON

Linda C. Dillow, City Clerk

dence in their coach and the belief that he can lead them to wins on the football field. You may feel better knowing that Wood hears your stupid hollering, but it is doing nothing but hurting a team that needs your support now, more than ever!

### ANOTHER ROUGH WEEK FOR COUNTY TEAMS

All three county teams had tough opponents last week and all three found the going a little too tough as not one could notch a win. Here's a quick look back at how I saw it...

**NEW BROCKTON** played well in its loss to Cottonwood, but simply couldn't come up with the big plays it needed and lost 22-6. The Gamecocks had not looked all that good in edging Georgiana 13-12 and failing to defeat Daleville 40-0, but required a measure of confidence in the game with Cottonwood and may be better than I thought.

**ZION CHAPEL** had perhaps the most explosive offense around after three weeks, but had a defense that was almost non-existent, and wasn't given much of a chance against 1A power McKenzie. Well, maybe the Rebs are learning how to play defense, because they battled the talented Tigers until the end. If the Rebs can ever put it all together, watch out!

**KINSTON** has proven that it can hold its own against teams with much more speed, but it has also shown that when it does play a team with speed, the results are disastrous. That was the case again Friday night when Samson's speedy Tigers ran over and around the Bulldogs to post a 50-20 win. The Dogs will have to slow down the game and use the clock if they are to win consistently.

### WEEK 4 BRINGS MORE SURPRISES ACROSS STATE

The high school football regular season will be half over following this week's games and while that seems impossible, it's true. Week 4 was another wild week across the state and here's a quick look at what happened...

**CLASS 1A** - Arlton and McKenzie continued to be the top dogs in south Alabama with wins over Coffee Springs 41-6 and Zion Chapel 26-6, while Autaugaaville opened some eyes with a narrow loss to 3A champ Dallas County 25-20. Coffee Springs field used to be called the "rock," but after years of losses it's now just a pebble!

**CLASS 2A** - Three-time defending champ Hazelwood got surprised by 3A power Fayette County 12-0, while Goshen romped all over Brantley 31-0 to keep the Bulldogs winless and Straughn nipped Red Level 6-0, to knock the Tigers from the ranks of the unbeaten. Guess what? That's right, Sweet Water lost again, making the once-powerful squad 0-4.

**CLASS 3A** - Making the news were Holtville and R.C. Hatch, two of the worst teams in any class, who both got in the win column with wins over Elmore County 6-0 and A.L. Johnson 12-6. Also continuing to take it on the chin were perennial powers Elba, Lamar County, South Lamar and T.M. Rogers.

**CLASS 4A** - T.R. Miller kept on rolling with a 50-7 win over lowly Washington County, while Pike County held off Eufaula 27-21 and Daleville pounded Headland 42-7. Winning for the first time was Daphne, 17-14, over Fairhope, its next-door neighbor, and also rolling was Tallapoosa with a 20-12 win over Stanhope Elmore.

**CLASS 5A** - Andalusia won its third straight by shocking previously unbeaten Hillcrest 16-14, while Greenville traveled to Pensacola and got whipped by Pine Forest 27-7. The Tigers have played one of the toughest schedules to be found and despite losses to Pike County, Blount and Pine Forest, are still a team to be reckoned with. A surprise? Try Holt's 31-7 win over Bibb County.

**CLASS 6A** - Robert E. Lee got whipped by Georgia's Valdosta High 17-3, and made the Alabama boys (Lee and Jess Lanier) 0-4 against the Georgia powerhouse. Enterprise made its three straight with a 22-10 win over Tuscaloosa County and Northview struggled, but nipped Ozark 20-8. A surprise? How about former-TSU Coach Robert Maddox's Valley Rams knocking off Opelika 23-21!

### TIME TO CLIMB ON THE SOAPBOX AGAIN

Someone told me last week that I have mellowed in recent years and never write anything controversial anymore. I don't think that's true and I'm getting ready to climb back on my soapbox, just to prove it!

**LET'S LOOK AT SCHEDULES** - 3A champ Dallas County is off to a fast start, and will not lose. The 4-0 Hornets have posted big wins over Keith (0-4), 3A Francis Marion (0-4), 1A Marbury (1-3) and 1A Autaugaaville (2-2). This week the foe is 1A Billingsley and then on to 1A Maplesville. Quite an accomplishment! Meanwhile, let's look at Elba, which stands at 1-3 after defeating 3A Luverne (2-2) and losing to 4A Daleville (4-0), 3A Luverne (4-0) and 5A Opp (4-0). Maybe not so bad after all!

**WHAT IS A 3A OR 4A ATHLETE?** Last week in talking about Daleville's upcoming game with Headland, Daleville's Coach Perry Swindall stated that Headland had 4A athletes, which was something that even a good 3A team like Elba didn't have. Get real! Headland may have some quality basketball players and it is true the Rams are 4A; however, Headland isn't exactly a 4A power and I'd put Elba's lesser quality 3A Tigers up against the 4A Rams anyway. It's schedule time...how about next year?

# S P O R T S

## Tigers brace for powerful Pike County

The Elba Tigers will be hoping to snap a two-game losing streak Friday night when they host the dangerous Pike County Bulldogs in the annual renewal of the "Tigers' most heated rivalry."

Elba will carry an uncharacteristic 1-3 record into the battle with the Bulldogs, while Pike County will enter the contest with a 3-1 slate after wins over Greenville, Lanett and Eufaula and a lone loss to Tallapoosa.

"This game has been one of our top rivalries for the past several years," said Elba's Coach Mack Wood, "and in spite of the records of the two teams I expect this year's game to be just as hotly contested and don't think either team will leave anything on the field."

"Pike County runs out of a multiple set offense and as always is blessed with speed and top notch skill people," added Wood. "Pike County has a very good quarterback in the Holland kid and he can hurt you both passing and running. They like to put the ball in the air and go deep a lot during the game, but can also hurt you with the crossing patterns and screens. They have a bunch of real quick backs and can hit you for the long touchdown at any time from anywhere on the field."

"In recent years Pike County has had some big linemen and that is certainly the case again this year," said Wood. "Their center is a senior that checks in at 6'3", 255 and they have a youngster at tackle that weighs over 300 pounds. Their line is big and strong and their backs are quick as cats. That's been a deadly combination for just about everybody they've played for the past three years."

"Over on defense they still use the 4-4 alignment and have the two big offensive linemen at tackle and the 205-pound fullback at fullback," stated Wood. "Pike County is

the past relied on its quickness and aggressiveness to stop opposing offenses, but this year they have real good size to go along with that quickness, which is certainly still there."

"If we're to have a chance at pulling this one off we'll have to play better than we have in a long time, and get some breaks," said Wood. "On offense we'll have to be effective running and passing and we'll have to maintain drives to keep the clock running. When we get a chance we'll have to put some points on the board. Our offense will have to play as well as it can, and then some! On defense we'll have to be alert in the secondary for they're medium and longrange passing game and play real tough up front and on the corners. If we can slow Pike County down maybe we'll have a chance, but to do that we'll have to be physical and not have any mental mistakes."

"The Elba-Pike County game is always a hardfought game in which there is plenty of hard hitting and emotion," said Wood, "and I just hope we'll play well enough to keep it within striking distance and try to pull off the upset."

When asked about last week's 28-7 loss to Opp, Coach Wood said "We just have so many bodies that are available to play and Friday night was a good indication of what can happen when you get a couple of players banged up and both our offense and defense were slowed by nagging injuries. As the game went on these injuries got even more aggravated and by the end of the game we had our fourth string tailback in the game trying to go against a powerful defense. Our players never gave up and the effort was there for all four

**DON'T FORGET...PAYBACK IS HECK!** Years ago Elba and Luverne would pound away on Clayton in football and after the games the Clayton players would say "See ya on the court," which of course meant just wait until basketball starts. Well, after a two-year absence, the Tigers are back playing football and in the first three games have been outscored 155-21. Remember what I said... "Payback is heck!"

### POLISH PROGNOSTICATOR MAY BE HITTING GROOVE

Ye Ole Polish Prognosticator looked a little tired when he strolled into the office this week, but did manage to report that he had another solid week as he hit on 31 of 38 picks, upping his season's mark to 92 and 27. He said he'd never feel too good about his picks when one of them is Elba to lose, but added that maybe those days will end soon. Here goes week #5...

**ELBA VS. PIKE COUNTY**  
The Tigers continued to struggle last week and now the injuries are beginning to mount, which can't help but spell disaster for the proud Tigers. Pike County has a genuine dislike for Elba and has to be licking its chops to get at the wounded warriors from down in Coffee County. It may get a win, but it won't be as sweet as expected!

**PIKE COUNTY 18 ELBA 7**

**NEW BROCKTON VS. GOSHEN**  
The Gamecocks have come back down to earth with a thud after winning their first two, but did show signs of life last week and may be ready to shine. Goshen has been a consistent winner this season and playing at home may be the deciding factor!

**GOSHEN 27 NEW BROCKTON 15**

**ZION CHAPEL VS. COFFEE SPRINGS**  
This used to be a real grudge match, but Coffee Springs hasn't been a winner in so long that now it's just a game everyone points at as a sure win. Nothing is a sure thing for the Rebels, which enter at 1-3; however, this one looks pretty safe!

**ZION CHAPEL 33 COFFEE SPRINGS 20**

**KINSTON VS. HOUSTON ACADEMY**  
The Bulldogs usually do well against teams with a lack of speed and that will be the case this week when the Bulldogs challenge Houston Academy. Kinston has enjoyed success against the Raiders, but this one's in Houston County and that spells trouble!

**HOUSTON ACADEMY 21 KINSTON 20**

KEEPING THAT TIGER SPIRIT! Elba cheerleaders (1-4) Amy Driggers, Holly Stinson and Indya Lawless kept the Tiger spirit Friday night in Elba's 28-7 loss to Opp. The cheerleaders and fans are hoping that the Tigers bounce back this week with a win over the Pike County Bulldogs.

JUST OUT OF REACH! Elba's Anthony Brashears (32) dives for a pass during early action in Friday night's loss to Opp. The Tigers caught the Bobcats at 7-7 in the second quarter, but then saw Opp pull away for the 28-7 win.

OFF AND RUNNING...is Elba fullback Jamie Brockton (42) as he rambles for a big gain in action against Opp. Brockton gained 73 yards and scored the lone Tiger touchdown in the 28-7 loss.

## Opp drops Tigers 28-7

The Elba Tigers battled the Opp Bobcats on even terms for much of the opening two stanzas, but allowed the 25-yard touchdowns in the final three minutes of the half and never caught up Friday night as they fell 28-7, in Opp.

The loss dropped Elba's record to 1-3, while Opp improved to 4-0 with the win.

Opp began its first offensive series at the Bobcat 25-yardline following a 40-yard punt by Elba's Joel Kirkland and promptly marched 75 yards in 11 plays to grab an early 7-0 lead.

The Bobcat's faced only one third down situation in the impressive drive, which was highlighted by the running and passing of Opp quarterback Aaron Hightower.

Hightower gained 24 yards on 4 carries during the drive and hit on 3 of 3 passes for 27 yards, with the touchdown coming on a 3-yard toss from Hightower to a diving Ben Ramer. Ben Thompson added the extra-point and with 6:18 left in the first quarter Opp was on top 7-0.

Elba began its ensuing series at its 20-yardline in a time showed signs of life as the Tigers marched 57 yards in 8 plays to reach a third down and one at the Opp 24-yardline.

Marcus Tyson and Jamie Brockton combined to gain 42 yards on six carries during the march; however, Tyson was nailed for a two-yard loss on third down and then stopped for no gain on fourth down as the scoring chance went by the board.

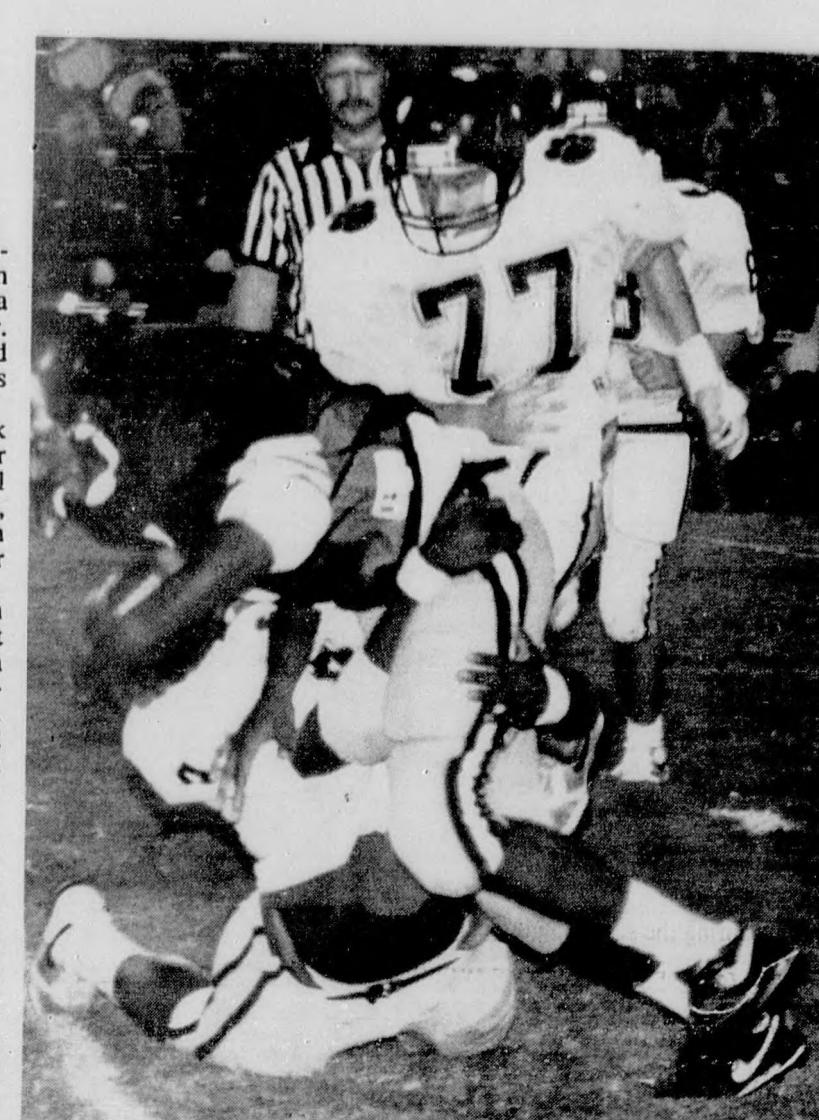

The Tigers got the ball right back on an Opp punt at the Elba 33-yardline and this time marched 67 yards to paydirt!

The 67-yard scoring march required only six plays, with Marcus Tyson and Jamie Brockton taking turns hanging into the Opp defense for huge chunks of yardage.

Tyson gained 31 yards on just two carries during the drive, while Brockton gained 36 yards on three carries and got the touchdown on a 13-yard ramble up the middle. Scotty Dawson added the extra-point, and with 7:46 left in the first half Elba had pulled even at 7-7.

Opp moved to a quick first down at the Elba 13-yardline on its ensuing possession, behind a 55-yard kickoff return by Terry Hill and a 25-yard gallop by Hightower; however, the Elba defense stiffened and forced three incomplete passes and short gain to stop the threat at the Elba 10.

A short Elba punt gave the ball back to Opp at the Elba 47-yardline and the Bobcats needed only three plays to regain the lead.

An Opp runner is stopped for a short gain by a Tiger tackler. Closing in to help is senior defensive tackle Tommy Young (77).

## Round & About With Eria - 897-2006

Then said Jesus unto them again, "Verily, verily, I say unto you, I am the door of the sheep."  
All that ever came before me are thieves and robbers; but the sheep did not hear them.  
I am the door; by me if any man enter in, he shall be saved and shall go in and out, and find pasture.  
The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly.  
I am the good shepherd: the good shepherd giveth his life for the sheep.  
But he that is an hireling, and not the shepherd, whose own the sheep are not, seeth the wolf coming, and leaveth the sheep and fleeth: and the wolf catcheth them, and scattereth the sheep.  
The hireling fleeth because he is an hireling, and careth not for the sheep.  
I am the good shepherd, and know my sheep, and am known of mine.  
St. John 10:7-14

### THE CARPENTER'S

The month of September is very special for R. C. and Annie Pearl Carpenter Elba, Alabama. R. C. and Annie Pearl are members of Rocky Head M. B. Church, Elba and they are the parents of 7 children: David Charles, William Calvin, Mary Nell, Cathryn Denney, May Doris, Christina Lanette, Cathryn Tonnette, and granddaughter Brittany lives with them.  
Happy Birthday and Anniversary you two. God bless you.

inex Middleton, Andalusia and the late William Middleton. She is the 4th of 15 children. Annie Pearl is a seamstress, and loves working in her yard and garden. R. C. and Annie Pearl are members of Rocky Head M. B. Church, Elba and they are the parents of 7 children: David Charles, William Calvin, Mary Nell, Cathryn Denney, May Doris, Christina Lanette, Cathryn Tonnette, and granddaughter Brittany lives with them.  
Happy Birthday and Anniversary you two. God bless you.

Mrs. Goode, an announced gospel artist, has prepared a musical transition for combining all denominational singers into one jubilated choir. This choir sings praises of the Lord and for the Lord from all choirs: stands, parks, courthouses, steps, officers, clubs, schools, etc.

\*\*\*\*\*  
Mrs. Goode has assisted almost every church within the Wiregrass and northwestern by playing the organ, directing, singing, conducting various, organizing gospel concerts for fund-raising and giving the power of prayer with faith. She has been a God-send to all.

\*\*\*\*\*  
The festivity continues in the Community Center located on Donald Street. The honorees and their family will greet friends at a reception following the concert.

\*\*\*\*\*  
Play full of the Holy Spirit will spark a light in each life it touches. The theme: "Mount up with wings as Eagles." Isaiah 40:31.  
Sponsor: The Voices of Praise Community Choir.  
God bless you Mrs. Goode.

\*\*\*\*\*  
Today is a good day! Be grateful, Eria.

\*\*\*\*\*  
Wiregrass United Way To Sponsor Golf Tournament

\*\*\*\*\*  
A Golf Tournament will be held at the Ozark Country Club on October 11, 1991 to benefit the Wiregrass United Way. The Tournament will be a four man scramble that is open to the first 100 entries. Deadline for entry is October 8, 1991. Cash prizes will be awarded to the first four teams. Prizes will be awarded for closest to the pin and the longest drive. Entry fee is \$50.00 per person and will include a dinner following the Tournament. For an application, call Jim Martin at 794-9601 or Joe Wilson and Laura Myrick at 794-0661, or call the Wiregrass United Way.

\*\*\*\*\*  
The 70th annual homecoming of the Wise Mill Assembly of God Church will be held Sunday, October 6, 1991. Church services will begin at 10:30 a.m. with the Rev. Nelson White, Alabama District Superintendent, as guest speaker. Lunch will be served in the fellowship building. There will be a special singing that night. Rev. Kenneth Hayler invites everyone to attend.

\*\*\*\*\*

## LEGAL NOTICES

ORDINANCE 1991-13  
AN ORDINANCE AMENDING SECTION 8-1, CODE OF ORDINANCES, CITY OF ELBA, ALABAMA, CONCERNING THE ELBA CLIPPER CLASSIFIEDS

WHEREAS, it is deemed expedient, necessary and in the best interest of the City of Elba, Alabama, a municipal corporation, to increase the existing tax schedule on collection of garbage; and  
WHEREAS, authority is specifically given by Section 11-45-1 of the Code of Alabama, 1975 to the governing bodies of municipal corporations to adopt ordinances and resolutions for the general welfare and prosperity of the community;  
NOW, THEREFORE, the City of Elba, Alabama, do hereby amend the said ordinance as follows:  
That Section 8-1, Code of Ordinances, City of Elba, Alabama, entitled GARBAGE AND TRASH be amended to read as follows:

SEC 8-1. Garbage tax levied; amount; when due, payable.  
There is hereby levied, effective October 1, 1991, a garbage and trash tax upon every household and every place of business, to be paid monthly by the several householders and by the operators of the several and each hundred gallon trash is collected and removed on each collection day, nine dollars (\$9.00) per month.

SEC 8-2. That there is hereby imposed upon the Users of the Sanitary Sewerage System a flat rate of six dollars (\$6.00) per month for residential householders, and in addition thereto, there is imposed a rate of eight cents (\$0.08) per 1000 gallons of water removed and five hundred gallons of water after the minimum use of 5000 gallons.

SEC 8-3. That there is hereby imposed upon the Users of the Sanitary Sewerage System a rate of six dollars (\$6.00) per month for commercial and industrial users, and in addition thereto, there is imposed a rate of eight cents (\$0.08) per 1000 gallons of water removed and five hundred gallons of water after the minimum use of 5000 gallons.

SEC 8-4. In the event of the failure of any User to pay said charges as per the foregoing schedule, and if same shall be delinquent for (30) days after the date of said City Council meeting, the City shall be immediately terminated.

SEC 8-5. Said services shall be provided by the City upon application and payment being made by any person desiring the same and a cash deposit in the amount of thirty dollars (\$30.00) as security for the same. The use of a ninety gallon container, which is provided by the City, shall be returned upon the termination of services and the return of the User's bill shall be applied to the amount due from the User and the balance, if any, returned.

Approved this 23rd day of September, 1991 and to become effective upon publication.

Attest:  
Fred W. Moore  
Mayor Fred W. Moore  
City Clerk

## Ways To End Kitchen Clutter

Angela G. Hughes - County Agent

### CUTTING KITCHEN CLUTTER

Kitchen cabinets are often the most cluttered areas in the home. With a little thought, this clutter can be eliminated so that spices, packaged foods, kitchen utensils, pan lids and cleaning supplies can be found quickly and kept in order.

Accessories are available that make cabinet organization simple. For example, see-through utility drawers are ideal as storage space under wall cabinets. Lazy Susans are an answer for the spice arrangement problem. Shelf inserts, drawer slides and lift-out baskets organize space in cabinets. Under-cabinet space, too, can become storage space with mounted storage centers for spice racks.

Wood and plastic are the most popular materials for under-cabinet use. Inside the cabinet, the white wire coated organizers seem to be best for food storage.

### ALZHEIMER'S DISEASE

Older family members with Alzheimer's or other dementia often have in ways that are confusing and frustrating to other family members. When the reasons behind the behavior

are understood, they are often easier to accept and deal with. The first thing to remember is that these conditions affect the cognitive or intellectual functioning of the patient. The part of the intellect most noticeably affected is short-term memory. As a result, the patient's once familiar world is lost. He or she may be unable to remember things that happened only moments earlier. Imagine what a confusing experience this must be and how difficult it must be to make any meaning of what is going on.

When the patient shows suspicion of care or treatment, for example, he or she is not just trying to be difficult and uncooperative, but probably does not remember the care giver or the particular routine to which he or she is being exposed.

The patient may become confused at various requests and directions. Better cooperation can be obtained by giving directions one step at a time, and allowing time for that step to be carried out before giving the next step.

When the patient gets his or her clothes on in the wrong order or fails to put on an essential part of clothing, for example, the most helpful thing for the family member to do is to tell the patient, in a matter-of-fact

way, what is needed and help make the change, if that is necessary. The patient should never be shamed for his or her behavior and lectures and rational arguments are of no help. They only add to the confusion.

Another important point to remember is that while the patient's rational understanding and memory may be impaired, he or she is still attuned to emotional climate and reactions. If the family member becomes emotionally upset and angry with the patient, for example, the patient feels not only confusion but loss of the stability he or she is depending on from the family member.

While it would be unrealistic for the family member not to become angry and frustrated at times, it is better if these feelings are not directed toward the patient or expressed in the patient's presence.

WHAT'S SO DIFFERENT ABOUT  
**ULTRA SATIN**  
THE ART OF FINE PAINT  
THAT YOUR HOME DESERVES

- Luxurious satin finish
- Superior one-coat hiding power
- Scrubbable as enamel
- Soap-and-water cleanup
- Fast drying
- Stain resistant
- Meets all existing VOC environmental regulations
- Lead-free and mercury-free

**19.98** Gal. US K F4  
26.98 Gal.

Performs like enamel without the shine. Ultra Satin's luxurious, scrubbable finish can resist even tough stains from messy accidents like this.

It's the premium choice. As soon as you open the can, you can tell the quality of a truly fine paint-like the thick, creamy Ultra Satin.

A soft look-and a tough cookie! Don't let the silky finish fool you-It's as scrubbable as a high-gloss enamel. Other satin paints are not.

## JAIL LIBRARY'S NAME HONORS R. H. MCCALL

### Tillman-Grantham Jail dedicated

by Marvin McIlwain  
Editor

Not only was a brisk northerly wind blowing Sunday afternoon during the dedication ceremonies of Coffee County's new jail, but so were the winds of change.

With the completion of the new jail, Sheriff Brice Paul said, "We've come from the Dark Ages...bold leap into the modern age."

Paul's father, Judge Eris Paul, was a long-time circuit judge in Coffee County and he and Sheriff Tillman often had "dealings" and the younger Paul was frequently present.

In remembering Sheriff Grantham, Paul said, "I remember the days when Sheriff Grantham was in office. We were dealing with new issues in those days - new civil rights laws and the Miranda rule were just coming into full effect."

He continued, "I used to wonder, 'How long will it take to adequately respond to these changes? How will the Miranda rule change the way we are doing things?' But the changes were made smoothly thanks to Sheriff Grantham."

Commission Chairman Billy Eagerton said, "Eleven years ago Mr. Bradley (Commissioner Eugene Bradley) and I came on the commis-

sion and at that time we were under a lawsuit to build a new county jail. So here we are today, finally working this thing out and we are certainly proud of it."

A resolution passed by the Coffee County Commission was presented to Sheriff Tillman and members of the Sheriff Grantham's family by Chairman Eagerton.

The framed document recognized and commended the two men for the dedication of their lives and time to the promotion of good law enforcement and the betterment of life.

It was noted by Sheriff Paul that the library and educational adult center located in the new jail was named in honor of Robert Henry McCall. He served as a correctional officer with the sheriff's department for three years prior to his death.

The \$2.5 million facility, said to be the newest and most modern jail in the state of Alabama, replaces the 80-year-old Coffee County Jail located in Elba. The old jail was severely damaged by the flood of March 1990.

Following the dedication ceremony, the public was allowed to tour the new facility.

Resolution Presentation... Chairman Billy Eagerton presented Sheriff Tillman and Sheriff Grantham's family with a formal resolution officially naming the new jail in their honor. Pictured above are (L-R): Kenneth Grantham, Sheriff Grantham's son; Reese and Kenneth Neil Grantham, Sheriff Grantham's granddaughter and grandson; Sheriff Paul; Chairman Eagerton; and Sheriff H. D. Tillman.

## Ammons changes plea from not guilty to guilty

by Marvin McIlwain  
Editor

In a surprise move last Friday morning, Marilyn B. Ammons, 49, of New Brockton changed her plea from not guilty to guilty. She had been arrested and charged with multiple counts of forgery while employed as a clerk in the office of the Coffee County Commission.

After accepting Ammons' guilty plea, Circuit Judge John Crowley sentenced her to fifteen years in the state penitentiary and ordered her to make full restitution.

Mrs. Ammons had been indicted in May of 1991 on a record 643 counts by a Coffee County grand jury in connection with \$334,527.63 in misappropriated county funds.

Prior to her arrest on October 26, 1990, Ammons had worked as a clerk in the commission office for approximately 13 years. After the funds were discovered missing, Mrs. Ammons was immediately suspended from her job.

Allegedly, Mrs. Ammons took the county funds while working as chief bookkeeper in the commission office.

A trial by jury in Circuit Court had been scheduled to start on October 15, 1991 and it had been predicted that the trial would last three to four weeks.

Ammons said, "I had intended to pay the money back."

Prior to pronouncing sentence on Mrs. Ammons, Judge Crowley asked her if she understood all of her rights to a jury trial, right to subpoena witnesses, right to an attorney, right to testify or not to testify, right to cross examine witnesses, and a right to appeal if convicted. She affirmed to the judge that she understood all her rights.

Judge Crowley asked Mrs. Ammons if she wished to make any statement before he sentenced her. Mrs. Ammons said, "I had intended to pay the money back."

Present in the courtroom with Mrs. Ammons were her attorneys Michael and Debbie Jared of Elba.

Judge Crowley asked Mrs. Ammons several times during the proceedings if she fully understood the terms of the plea bargain agreement that had been made with the state's attorneys. She stated that she did.

All of the above sentences imposed upon Mrs. Ammons were ordered to run concurrently. This means she will serve a 15 years sentence in state prison. It was agreed that she would apply for no probation or split sentence.

degree charges were nolle prossed (dismissed).

Ammons was found guilty of the 66 counts of forgery in the second-degree and sentenced to 10 years in the state penitentiary in each of the offenses.

She was also found guilty on 565 counts of forgery in the second-degree and sentenced to 10 years in prison in each count. The charges of theft in the second-degree and theft by deception in the second-degree were dismissed.

All of the above sentences imposed upon Mrs. Ammons were ordered to run concurrently. This means she will serve a 15 years sentence in state prison. It was agreed that she would apply for no probation or split sentence.

The theft of deception in the first-degree and forgery in the second-degree charges were nolle prossed (dismissed).

## Elba Zoning Board turns down Powell's request

by Ferrin Cox  
Publisher

The Elba Zoning Board turned down a request by Roland and Pat Powell to rezone property they own in downtown Elba for the purpose of parking a manufactured (or mobile) home. The property had been zoned business and a host of local citizens urged the board members not to start allowing mobile homes in the area on a permanent basis.

The property is just inside the levee to the right of Highway 84, going East toward New Brockton.

Board Chairman Bill Brunson questioned Mrs. Powell on the size of the lot, noting the zoning laws of Elba require at least 7500 square feet for any such zoning.

Mrs. Powell indicated she thought the lot was only 80 X 80 but would check if this was a stumbling block on the rezoning. She noted that the current cost of manufactured homes such as planned for that lot exceeded

the value of many conventional homes in Elba.

She expressed an opinion that every effort should be made to end the rezoning to Elba following the flood.

After hearing the complaints from citizens present, no board member made a motion to recommend rezoning to the city council and the matter died.

Mayor Fred Moore did state that the City was in the beginning stages of a long process to review and update the city's zoning ordinances with an eye to possible realignment of areas zoned for business, residential, industrial, etc.

Members of the zoning board are appointed by the city council and serve staggered terms. Members present at this meeting were: Bill Brunson, Wayne Sutley, Jerry McMillan, Arthur Williams, William Scarbrough, Pat Boothe, Mayor Fred Moore and Everett Kelley.

## CITIZENS BEWARE OF NEW FOUR-WAY STOP

### New Brockton council to meet only once

by Marvin McIlwain  
Editor

In Monday evening's meeting, the New Brockton City Council voted to hold one meeting a month in lieu of two.

Mayor Jim Driskell recommended that since they were not required by law to meet more than once a month the change be implemented.

Also it was pointed out by the mayor that approval of bills and minutes had been the only business conducted at several of the meetings.

The council approved the holding of a monthly council meeting on the first Monday of each month. It was agreed that other council meetings could be called should they become

necessary.

A traffic problem was brought to the council's attention by Peggy Green. She expressed concern about the safety of elementary school children making their way to the school bus stop in the vicinity of Lee Street.

Mrs. Green suggested that the intersection at Lee and Ross Streets be made into a four-way stop. This would hopefully make it safer for the children crossing Lee Street.

The council agreed with Mrs. Green and voted to make the change.

Chief of Police Richard Nichols was instructed to arrange for the stop signs to be installed and to also place a patrol car at the intersection until motorists become familiar with the change.

I DO SOLEMNLY SWEAR...Three members of the Coffee County Board of Registrars were administered the oath of office by Probate Judge Marion Brunson. Pictured above are (L-R): Gil Kelley, Ella Jean Vaughan, Alfred Edwards and Judge Brunson. Retiring member from the board are Quinette Whitman and James Hildreth. Whitman served 34 years as a registrar and Hildreth served 14 years. A reception honoring these two individuals will be held in the main courtroom of the Elba Courthouse on Thursday, October 10, between the hours of 3 to 4:30 p.m. The public is invited to attend.

## DEATH LISTED AS HOMICIDE BY STATE CRIME LAB

### Opp man's body discovered in Elba

by Marvin McIlwain  
Editor

(Editor's Note: Late Tuesday evening, the District Attorney's Office was notified that Gov. Hunt had approved a \$5,000 reward in the Bush murder case.)

Law enforcement officials held a joint press conference Tuesday afternoon to update the news media on the apparent murder of an Opp man whose body was found in Elba.

Chief Investigator Bruce DeVane of the 12th Judicial Circuit District Attorney's Office acted as spokesman for the group.

He stated that on Sunday morning, October 6, 1991 at approximately 3:10 a.m., officers of the Elba Police Department were summoned to a residence on Brunson Circle in Elba.

Upon arrival at the scene, the officers found an individual later identified as Otis Ray Bush, age 45, of Route One, Opp, Alabama. His lifeless body was located in the backyard of the complainant's home.

According to DeVane, a post mortem examination (autopsy) was performed on the victim by pathologist.

Burglary solved

An Elba man has been arrested by local police in connection with a house burglary that occurred in Elba on Thursday, October 3, 1991.

According to Sgt. John R. Nelson of the Elba Police Department, Antonio Smith, age 24, of 847 East Davis Street in Elba was arrested by police officers and charged with burglary second-degree.

Smith is accused of burglarizing the home of 75-year-old Annie Pearl Bullard, who resides at 1310 Stoumire Street in the Mulberry Heights Community.

Listed as taken in the burglary was a lady's purse containing personal checks, credit cards, and a small amount of cash.

Smith was placed in the Coffee County Jail with bail set at \$20,000.00.

Sgt. Nelson stated that Smith was released from a state correctional facility less than a month ago where he had been serving time on unrelated charges.

gist with the Alabama Department of Forensic Sciences. His findings were that the victim died as a result of multiple blunt trauma and sharp force trauma to the head, neck and torso.

The manner of death as listed by the pathologist as homicide.

"At this time, numerous potential suspects have been interviewed along with some suspects," said DeVane, "but no arrest has been made."

The investigation of the homicide is being conducted by the Elba Police department, District Attorney's Office, Coffee County Sheriff's Department, and the Alabama Department of Forensic Sciences. Also, the Opp Police Department is assisting in the investigation.

Investigators are asking the public for assistance in solving this hideous crime.

"We are especially interested in talking to anyone who was present at the local lounges in Opp," said DeVane, "on Saturday evening, October 5, and the early morning hours of Sunday, October 6. They may have seen the victim there."

"Anyone who may have seen the victim in the Elba area driving or as a passenger in a 1983 black 2-door Chevrolet Chevette automobile bearing the license plate number 1-888888."

Any standardized testing paid for from local funds will be discontinued when present supplies are exhausted; maintenance contracts on copiers and computers, etc. will be reviewed and possibly canceled; efforts will be renewed to curtail energy usage; and a hiring freeze will be enforced, as well as reducing personnel through attrition. All Southern Association Accreditation activities will be canceled or extended until the 93-94 school year.

Options turned down by the local board were: longer instruction days and four day school weeks; four day work weeks for custodial and maintenance workers as well as aides.

experience a shortage of state furnished textbooks as the textbook law is enforced. It stipulates state funds will be used to furnish all required books in first grade and move upward grade by grade until state textbook funds are exhausted. Proration cut these funds by 6% for the school year.

This shouldn't be a major problem in Elba for the next year or two, as updated books were purchased, using both with state and federal funds, following the flood of March, 1990.

Elba School Board debates & amends school policy

by Ferrin Cox  
Publisher

Thursday evening the Elba City School Board got into a debate over a recommended change in a school policy which prohibits male students from wearing ear rings. No decision could be reached by the four members present and the matter was tabled for later discussion.

The board did modify the board policy to allow facial hair on male students as long as it is neatly trimmed and kept clean. Previously only mustaches were allowed.

Superintendent Charles Pearce had recommended the Board amend the high school handbook and allow male students to wear ear rings except during P.E. classes and when participating in any athletic events. A lengthy discussion failed to produce a clear majority and board members tabled the matter until a later date.

Board members and the superintendent discussed the ramifications and local effects resulting from recent prolation of state school funds and agreed with state department of education action to "tighten up."

This means only legally required reports, committee meetings and conferences will be held on unrelated charges.

Students in the upper grades may
